Modernise Your Waiting Room Communication

Guide Patient Behaviours, Promote Your Services, and
Share Vital National Health Updates

INFORM Digital's screens and messaging service transform patient engagement. They enable you to promote your services and display important national health updates effortlessly.

Why Choose INFORM Digital?

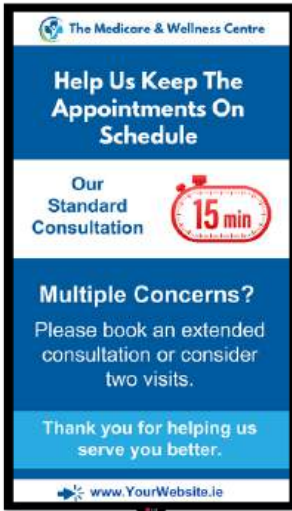

- **Complete Service:** We provide, install, and maintain silent, vertical, digital screens.
- **Custom Messages:** We design and upload your branded rotating messages remotely.
- **National Health Updates:** Share vital national health campaigns with your patients.
- **Cost-Effective:** All for less than the cost of a patient visit per month.

Sample Screen Messages

Your Messages Your Way

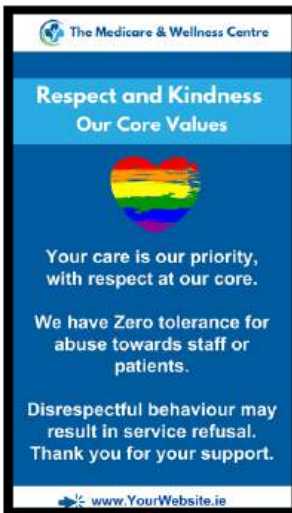

We Design Them and Upload Remotely

Messages Rotate

Messages Are Animated

As part of our service, we create, design, and upload all of your content to **inform, guide, and influence your patients**. We ensure they are clear, purposeful, and aligned with your practice branding.

Testimonials

INFORM Ireland keeps our patients up-to-date effortlessly, with quick updates and excellent service.

Kilnamanagh/Tymon Primary Care Centre, Dublin

INFORM's screens are easy to read, bright, and current, with superb support and hassle-free installations.

Bellview Clinic, Westmeath

INFORM makes patient communication effortless with rotating messages that keep vital health information front and centre.

Hansfield Medical Centre, Dublin

The screen is modern, bright, and informative—perfect for our practice.

Inchicore Doctors, Dublin

INFORM offers outstanding service, ensuring smooth operations and making preventive care promotion effortless.

Lakelands Medical Centre, Mayo

INFORM's digital screen is essential for patient communication, delivering clear, branded messages seamlessly.

Mount Merrion Medical Centre, Dublin
